In this last year God has opened doors for us to preach revivals and special services in twenty two states, and now in Kenya, East Africa.

August 5, 2010

Dear Friends,

In just one day we will be flying to Kenya, East Africa, where we will preach in two leadership conferences and several churches. We are excited about what God will do during these twenty days. The coming of the Lord is upon us, yet the harvest remains great. It is our desire to be reapers for the Master in this crucial hour.

We are eager to get back on the field, after recovering from foot surgery earlier this summer. It is hard for preachers to sit still for long when ones heart is stirred to be "on the road" with the Word of God.

Our flight on Friday will mark our return to the field of full-time evangelism. Following this missions trip to Kenya, the starting point of our schedule will take us to revivals in Florida, Virginia, and Illinois. We have earnestly prayed and submitted ourselves to the hands of the Lord, desiring to be His anointed servants.

If we can be of service to you or your church at any time, please feel free to contact us.
From August 6-26, while in Kenya, you will have to contact us through email.
After those days, our phones will again be available for your calls.

God has always sent revival in the darkest hours. That makes our day a time of unprecedented opportunity for the church to rise with a demonstration of the Spirit and of Power. May He send revival to every seeking heart !

Bob and Claire Goodwin

The burden of our heart is:

"Oh, Lord...
Wilt Thou not
REVIVE US
AGAIN, that
thy people
may rejoice in
Thee.."
